The 46th annual Marty Rush Memorial Greybeards trial was held at were held out at Weedons Ross Road West Melton, the 10 sections were set by Mel Banks, Mike Elliott, Peter Dunn and Christine Thompson amongst all the tall grass, gravel pits, logs. It was great to see a good 19 keen and eager riders to this event, which included two ladies, one junior (24yrs) and lots of laughter. A number of spetactors also looking over the sections and reminiscing of the Greybeards held over the years. I was great to see Evan Norriss, and Max Monk who was on the Pioneer Committee along time ago, and of course Peter McDonald encouranging Kendall along. Our very own website wizz Christine Thompson decided to ride for the first time in the A Grade and did very well, not sure if this is going to carry on but look out Clubman A grade next year. Roy along with Rob Stowell started up the BBQ and started cooking the hamburgers finished off with a light refreshments. After all the trophies, walking stick and a Merry Christmas wish it was time to look forward to going it all again next year.
