Thank you to Simon Jones (Friday section setter) and Stef Downes (Saturday section setter) for stepping up and putting the sections in for this event. The Pioneer Club are hoping that more of the club members will take the bull by the neck and do the same at some of our club events.

Next Event: Summer Series #3, to be held at Graylees Road, starting at 10:30am, Alan Honeybone and his team of keen section setters are poised to collate the sections for this final round of the Summer Series. See you all there.
