

# 2018 FIM Oceania and New Zealand Trial Championship

## June Update

Planning is well underway for the upcoming Oceania. Australia will be announcing their team early in July which will consist of Open class, Junior and woman riders. The chairman of the MA Trials commission has said they will be sending their best riders in each of these grades to make this the best possible event. Sandra Hallie is now looking for expressions of interest from riders for the New Zealand team. Please contact Sandra as soon as possible if you would like to be considered for this team.

For people making their travel arrangements the schedule for the weekend will be as follows.

Friday evening: Rider registration (Venue TBC)

Saturday: Living Springs

Sunday: Mandelay Station

Monday: Graylees Rd

Monday Evening: Prize giving dinner (Venue TBC)

Entries will open in Mid-July and will be available via the Pioneer website  
[www.pioneertrials.co.nz](http://www.pioneertrials.co.nz)

Each day there will be a rider's sign-on and briefing at 10.00am and there will be 3 rounds of 12 sections each day.

I have hard working group of helpers who have been out over a few weekends at Living Springs and cleared about 11 sections so far and the tracks to get to them. The property has been over grown with gorse, so the work has been hard and unpleasant but worth the effort.

That's it for now. Keep your eye on the Pioneer website for more updates over the next few weeks.

Cheers

Derek
