

2018 FIM Oceania and New Zealand Trial Championship

International Motorcycle Trial returns to Christchurch.

13/3/2018

The Pioneer Motorcycle Club is pleased to announce that it will be hosting the 2018 FIM Oceania Trial Championship in Christchurch over Labour Weekend (Oct 20th-22nd) 2018. The event will be run in conjunction with the New Zealand Trial Championship with the support of Motorcycling New Zealand (MNZ) and Motorcycling Australia (MA).

It has been over thirty years since an International Motorcycle trial was last held in Christchurch.

Kyle Middleton 2017 Australian Champion

Karl Clark 2017 N.Z. Champion

The FIM Oceania is a team's event featuring riders from Australia and New Zealand. Each country nominates competitors in the various grades to compete against each other. The nation with the highest total points being declared the winner. The New Zealand team will be hoping to defend the title they won in Australia in 2017 but the competition as always will be close and hotly contested. FIM Oceania President Glen Williams is pleased to be supporting this Trial event and thanks all those involved.

"It is great to see the FIM 2018 Oceania Trial Championship being held in Christchurch this October. Trial is a spectacular sport where spectators can get close to the action and enjoy the fantastic skills of the riders. This FIM Oceania event brings the best competitors from New Zealand and Australia together who will all vying for the prestigious Oceania trophy and winners bragging rights. My thanks to Pioneer Motorcycle Club, Motorcycling New Zealand and Motorcycling Australia and their many valued sponsors that have pulled together to support this event. I wish all competitors and their teams the very best of luck"

Glen Williams (FIM Oceania President)
